CONFERENCE SPEAKERS for 2010

Mr. Ian Grant

Ian has been married for 42 years to Janette. They have three daughters and eight grandchildren ranging from age 14 years to 4 months. They have both been in assembly fellowship for over 50 years and are currently in fellowship with believers in the Holburn assembly in the Aberdeen area and have been there for 23 years. Ian is active in both Bible teaching and Gospel work in the Aberdeen area and Scotland as a whole. They have a burden to see young people develop in their spiritual life and for the last number of years, in association with one of his brethren in the assembly, have been leading both a young men’s Bible study and a class focusing on our young married couples. He has an active interest in the Logos Christian School in Cyprus, and is a trustee of Precious Seed magazine. They travel extensively seeking out local believers for fellowship. Last Easter he made his first trip to Botswana for two weeks of Bible teaching.

Mr. James Hull

“Jamie” is a native of Western U.S.A. and is in the land development and general contracting business in Colorado. He fellowships with the West Side Christian Assembly in Colorado Springs and ministers in conferences and camps throughout North America. He has held studies for university students for over fifteen years in his home, and often takes groups of young people to encourage small assemblies in Western U.S.A.
